

SOLAR RATING  
& CERTIFICATION  
CORPORATION

## **ICC-SRCC TESTING LABORATORY APPROVAL**

**Australian National Testing Laboratories (ANTL)  
Rocklea, Queensland, Australia**

is approved to provide laboratory test results for the ICC-SRCC OG-100 Solar Thermal Collector Certification Program in accordance with the ICC-SRCC Testing Laboratory Program for the following test procedures and collector types:

**Solar thermal collector qualification and efficiency testing per ICC-SRCC OG-100, as established in ICC 901/SRCC 100 and ISO 9806 for the following collector types:**

**Glazed Liquid-Heating Collectors  
Unglazed Liquid-Heating Collectors  
Integrated Collector Storage (ICS) Collectors  
Thermosiphon Systems  
Concentrating Solar Collectors  
Glazed Air-Heating Collectors  
PV Water Heating Collectors**

**Solar thermal collector qualification and efficiency testing per CSA F378 and packaged solar hot water systems per CSA F379.**

This approval is valid until: August 31, 2020
